- Exploring the common behaviours that can present as a result of compromised brain development;
- Developing an understanding of children’s behaviour through The Window of Tolerance and the trauma lens for trauma-based symptoms and exploring practical strategies for preventing challenging behaviour;
- Learning trauma-informed response strategies for common difficulties and behaviours such as anxiety, defiance, emotional outbursts, hyperactivity, sleep problems, and aggressive behaviour.

Cool Kids

Starting on the 9th of February 2021 (on Tuesday afternoons) we will be running the Cool Kids program for children aged 8 to 12 years with an anxiety disorder or high levels of anxiety symptoms. The Cool Kids program is a 10 session Cognitive Behaviour based program and will be run by our psychologists Madeleine Berryman and Nimra Bilgrami. Madeleine and Nimra are both accredited Cool Kids providers, and will be running the children's and parents' program, respectively.

The children's program allows children to learn to:

- o Recognise emotions such as fear, stress and anxiety;
- o Challenge their beliefs about these emotions; and
- o Encourage them to engaged in previously-avoided activities in more positive ways.

The parenting sessions enable parents to best support their children to learn these new skills and help them practice the new strategies in day-to-day activities.
